**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a Sonic User because I do not want to use the major high priced and contracting-locked-in companies, which offer deals for 1 year or 2 years then incrementally increase the "deal" every year for less service.

I support broadband Competition. I cannot afford prices hikes that will increase the cost of internet and phone services, especially since I live in the Bay Area when EVERYTHING here has been increased by Internet companies. Every month my income becomes less and less as prices go up and up with no COLA to counter it.

Sincerely,

Robert Sahatjian
